I often keep my room clean at home. On weekends, I do some cleaning in my neighborhood. I usually go to the park near my house on Sundays. I always collect the trash when I find it around the park. I never litter and I ask my classmates not to litter at school. Sometimes I water the flowers in my school. Sometimes I plant trees on the hill near the school. My teachers take us to clean the streets once a month. There are a lot of things we can do. In order to make our city more and more beautiful, let's work together and do our best.
