Traveling has always been a good way to relax. But this is not true for Xiao Lin (not her real name).

In November, Xiao Lin took a trip to Lijiang, a tourist city in Yunnan province, and had dinner at a restaurant. She had a fight with a group of local people because they made a joke about her while she was eating. Later, they beat her heavily and her face was injured badly, reported CCTV.

This made the public very angry. In fact, she is not the first person to be injured at famous *scenic spots* (景区) in China. Last month, the *National Tourism Administration* (国家旅游局) gave serious warnings to three national 5A scenic spots. It also asked them to change and improve in six months.

The three spots are the Old Town of Lijiang, Jingpo Lake in Mudanjiang, Heilongjiang, and Laohutan Ocean Park in Dalian, Liaoning. According to People's Daily, the three spots received the most complaints (投诉) from visitors during this Spring Festival.

"We're sorry for our bad work," the Old Town of Lijiang government wrote on its Sina Weibo account. "We are open to tourists' suggestions, and will make things right."

If the three spots don't correct themselves in six months, the National Tourism Administration will remove them from the 5-A scenic spot list, reported Guangming Daily.

When did you last say "I love you" to your father? If you can't remember, then you can get the chance this Father's Day on June 18.

Generally compared to a mother's gentle love, a father represents (代表) qualities like independence (独立), confidence, courage and adventure.

Also, a caring father can help their children get along with others, according to a study on Live Science. Fathers not only lead their children into their social circle but also teach them how to act and control their feelings.

For example, Microsoft founder Bill Gates was quiet and didn't like to talk with others when he was a little kid. So his father often held family parties and let Bill play games with family members. "Games like soccer and swimming seemed to be silly at that time but they improved my ability of leading and cooperating (合作)," Gates once said in an interview with US Fortune magazine.

US actor Will Smith learned important lessons from small things taught by his father. His father once planned to pull down a wall of their shop and rebuild it. But little Will thought it was impossible. After a year and a half, they did it. “You don’t try to build a wall. You are going to lay a brick (砖) every day. And soon you have a wall,” he said on TV show *Charlie Rose* (《查理·罗斯访谈录》).

“One father is more than a hundred schoolmasters,” British poet George Herbert (1593-1632) once said. Do you agree?

56. What chance can you get on the coming Father’s Day?
- A. To express love to your father.
 - B. To remember your father’s love.
 - C. To celebrate and relax yourself.
57. Which of the following belongs to a father’s qualities?
- A. Independence, confidence, courage and gentle love.
 - B. Confidence, courage, adventure and gentle love.
 - C. Independence, confidence, courage and adventure.
58. What can we learn from Paragraph 4?
- A. Bill Gates changed much with the help of his father.
 - B. Bill Gates liked parties very much when he was young.
 - C. Soccer and swimming were popular a long time ago.
59. How long did little Will and his father rebuild the wall of their shop?
- A. One year.
 - B. One and a half years.
 - C. Two years.
60. What does the sentence “One father is more than a hundred schoolmasters” mean?
- A. The growth of a child needs 100 schoolmasters.
 - B. One father is more important than 100 schoolmasters.
 - C. A father plays an important role in kids’ growing.

Have you ever got your lunch, but not known where to sit? You don’t want to sit alone. But you are not sure who would be friendly and let you sit with them.

To solve the problem, Natalie Hampton, 16, made an app called *Sit With Us*. It makes finding friends in the school canteen (食堂) very easy. Natalie is from Sherman Oaks, California, US.

The free app went online on Sep. 9. Students can sign up as “ambassadors” (大使) for a club. Then they can post “open lunch” events to invite others to join in.

Natalie got the idea to create the app after she ate alone her whole seventh grade year. The experience made her feel sad and she was even bullied (欺负). She changed schools because of that.

People may want to know why you don’t just ask to sit down. Natalie said the app stops kids from being rejected in front of others. “This way it’s very private. It’s through the phone. No one else has to know. And you know that you’re not going to be rejected once you get to the table,” she told NPR.

So far, the app works well. “I had my first club meeting, and everyone was very excited. People are already posting open lunches at my school. So I’m very excited,” Natalie told NPR.

You will find many strange animals in the sea. 67 Many sea animals give out light in the dark and some have sharp teeth.

During the day, there is enough light. Here, under the sea, everything is blue and green. When fish swim nearby, you can catch them with your hands. When you have bottles of air on your back, you can stay in deep water for a long time. 68 And you must be very careful when you dive in deep water.

The deep sea is not an easy place to live in. It's cold, and it's dark, too. 69 About 3,000 feet, there is no light at all. It is very dark in the sea. Many fishes have no eyes. Some have big eyes. A few have eyes on one side.

四、One possible version:

Do you agree that your parents have a second child? Different students have different opinions about it.

Some students agree with the idea. They think, if so, they won't feel lonely and there will always be someone to play with. Besides, if their parents get old or ill, they can take turns to look after them. However, some students disagree. They worry that they will get less love from their parents if another child comes to the family. What's worse, they may not get along well, or even fight against each other.

As for me, I'd love to have a brother or sister as company, so that we can share our happiness and sorrow any time.
